

LINDEN CPF

COVID-19 Community support

The impact of the lockdown has had far reaching implications on our community.

Linden CPF has partnered with both our Residents Associations as well as several NPO's and NPC's in our area to make sure that we collectively reach all the families in need in our precinct.

It is vital to do this as a coordinated effort to ensure that we do not reach a point where a family that is truly in need gets overseen.

Linden CPF would therefore encourage communities and individuals wanting to help to please do so via any of the organizations listed on our website.

Donations can be made in the form of financial assistance or physical donations of non-perishable food items, clothing, and bedding.

Asking for help is not easy. If you need help or know of someone that does please contact any of our channels listed.

The Linden Precinct has always opened their hearts to those who are most in need.

WHERE TO DONATE

Visit the Linden CPF website for information of an Aid Organisation close to you

"together we can do so much more"
